The image shows the interface of the 'Live Server' browser extension. On the left is a purple icon consisting of concentric arcs. To its right, the text 'Live Server' is displayed in a large font, followed by a version tag 'v5.7.9'. Below this, the developer's name 'Ritwick Dey' is shown, followed by a download count '41,175,000' and a star rating '★★★★★ (462)'. A descriptive sentence follows: 'Launch a development local Server with live reload feature for static & dynamic pages'. At the bottom of this section are two buttons: 'Disable' and 'Uninstall', each with a dropdown arrow, and two icons: a refresh symbol and a settings gear. Below the buttons, a status message reads 'This extension is enabled globally.'
